

## Don't Ever Forget

### You Have Loving Kindness

Turn to Psalm 103:1-2

#### **Psalm 103:1-2**

Question: Why would God through David tell us not to forget all of His benefits?

Answer: God's benefits will drive you back to **Him**.

1. You **live** for the Lord, and **work** for Him and His **kingdom**; it comes with **benefits**.

We have talked about a supernatural benefit of:

- The **new** you
- The **forgiveness** of all iniquity
- The release / **healing** of all diseases
- We cannot be a **part time** believer in who God is in our lives and expect **full** benefits.

It's hard to trust God because of the setup. It's called **tribulation**.

**John 16:33**

2 things this tells us:

- In this world, stuff **happens**.
  - Jesus overcame the stuff so it doesn't have to affect you where you doubt God in areas of life (**part time** believers)
2. By the way, the world cannot meet the needs only God can fulfill and it's called His **benefits**.
  3. Church family: God Himself is your **source** of happiness. Your spouse is God's **gift** to you.

When you **de-elevate** the gift and put the gift in its proper place, you will **experience** the release of all God's benefits.

How do you put things in its proper place?

Answer: **repent**

Remember the new you?

Be **released** from an inner bent that life created.

In this Church, it's a **culture shift**.

4. Run to **Jesus** and change your **source**.
  - God will not **compete** for your affection either, He is waiting on **you**.

**Psalm 103:4**

## Psalm 103:4b

4... Who crowns you with lovingkindness and tender mercies,

Crowns – to **encircle** you or to **surround** you.

- God wants to **surround** you, and there is power in this benefit of **encircling**.

Question: What does this verse tell us God wants to surround us with?

Verse 4 – **lovingkindness** and tender **mercies**.

Lovingkindness = **favor**

Tender mercies – tender **love**

Verse 4 reads like this:

...God wants to surround you with **favor** and compassion.

How do I experience favor and compassion?

The final words were this:

I long to hold you like Brigitte.

Son – will you let me?

Some of you in this house have a very poor vision of **fathers**

Your viewpoint is **not good**.

First, to experience God's favor:

A. Some of us in this room must make a decision to **let** Father God **embrace** you and **hold** you and **love** you.

5. When God embraces you, it will run the root of **rejection** right out of your heart.

How do you experience it?

Answer: You **ask** Him for one.

How do you get healing?

Answer: You **ask** Him for it.

How do you get forgiven / released from an inward iniquity?

Answer: You **ask** Him for it.

\* The Father was saying to me, don't **forget** my lovingkindness and tender mercies.

Let me just tell you a story of Paul – Acts 27 & 28

At the end of the 2 weeks, they said, That's it. We are done – life is over.

### **Acts 27:21-26**

They **listened** to Paul and kept everyone alive and swam to shore.

## Acts 28:1-10

- Natives thought he would **swell up** and **die**.
- Paul just **shook** the snake off.
- The leader of the island got **sick** and about to **die**.
- Paul prayed for him and he was **healed**.

Second:

- B. When you walk in favor of the Lord, **nothing** can stop what God has planned for you, you stand in God's **covering** and **anointing**.

Shadrach, Meshach, and Abed-Nego thrown in the fire were not afraid – they knew God's **favor**.

Complaining about life gets you **nothing**.

Third:

- C. Be fed by the **Source** of the supernatural - don't be fed by the **flesh**.

## Romans 8:11-12

## Romans 8:13-14

## Romans 8:15

How do you receive this favor?

- D. **Adoption**: He is Abba Father

An **entire** tribe got saved because Paul walked surrounded by the Father's **lovingkindness** and tender **mercies**.
