

Redemption Is Real

We have been in a series called, "Don't Ever Forget"

Forget what? God's **benefits**.

Last week – He crowns (<u>surrounds</u>) you with favor and tender love.

Psalm 103:1-4

1. The Lord has redeemed your life from **destruction**.

Redeemed - Ga'al

This word refers to a <u>person</u>.

The word speaks of the <u>closest</u> relative to you that has the <u>ability</u> and <u>right</u> to redeem you and your property.

So David is saying to you and me:

- The Lord is your <u>Ga'al</u>, He is your <u>nearest</u> relative to you; He is the only one able to redeem your life from <u>destruction</u>.
- Jesus is called in scripture, the nearkinsman Redeemer.

See – our understanding of redemption is not quite like the **Biblical** truth of redemption:

- We think redemption is **trade**.
 - We **trade** stamps and we get a can opener.

That's not what redeem means in the Bible.

- 4. Redeem in the Bible literally means: to **buy back**.
 - Jesus didn't **buy** you He bought you **back**.
- Jesus is the <u>original</u> Owner, the near-kinsman <u>Redeemer</u>, the closest <u>Relative</u>, and the only one who had the <u>right</u> of redemption and bought you back.
 - Every person is born <u>sold</u> into slavery.
 - Because of **Adam's** sin, we are in bondage to **sin**.
 - We were born with a nature that is bent toward sin – in <u>slavery</u> to it.
 - So we had to have a near-kinsman redeemer to buy us <u>back</u>.

Verse 4 again: "Who redeems your life from destruction, Who crowns you with lovingkindness and tender mercies"

- The word <u>destruction</u> can be translated, "<u>pit</u>"
 - Verse 4 could read like this: Jesus bought us back from going to **Hell**.
- 6. You have been redeemed from **eternal** separation from God.

There are three conclusions of redemption:

A. Redemption means dominion.

What I want to show you are three prophetic pictures of redemption.

Jeremiah 32:6-7

Notice the right of redemption is yours to <u>buy</u> –
Jeremiah had this <u>right</u>.

Jeremiah 32:8-10 Jeremiah is in prison

- Notice there were 2 rights (<u>redemption</u> and <u>inheritance</u>)

Verse 11 tells us now of 2 deeds (sealed and open)

Jeremiah 32:11

Jeremiah 32:12-14

Jeremiah 32:15 – prophetic

Jeremiah says: Buy this field to tell all of Israel after 70 years later, I will **bring you back**.

God was going to <u>redeem</u> them.

There were:

2 Rights:

- Right of **redemption**
- Right of inheritance

2 Deeds:

- **Sealed** deed
- Open deed

There were 2 things that can be sold and redeemed:

- Land
- People

 You could sell your <u>land</u> and you could sell yourself as a slave.

After <u>50</u> years, it would be returned – the year of <u>Jubilee</u>.

You have the right of **inheritance** also in this story. I own land – my **kids** have the right of inheritance.

Jeremiah had that right – the right of **inheritance**.

How do you have the right in your family of inheritance?

- Be the **firstborn** son.

Question: Who had the right of inheritance and the right of redemption for us?

Answer: <u>Jesus</u> – God's first begotten Son.

- Jesus bought us back (but we had sin)
- So Jesus <u>redeems</u> us.

This story says: there are two deeds:

- Open
- <u>Sealed</u>

The open deed is open to see the names of <u>owners</u> – it's where we understand **dominion**.

 Every time a piece of property is sold, they would <u>mark out</u> the name on the deed who owned it before and write the **new** owner's name on it.

But, the original owner would keep the sealed deed.

Why is this important? Who is the original owner of the world? **God** is.

Psalm 24:1

What does the open and sealed deed represent spiritually?

7. God gave the open deed to Adam and said, here is the open deed to the earth, and Adam <u>lost</u> it.

I've got good news for you! Guess who kept the sealed deed?

In Revelation 5, the <u>Father</u> is sitting on the throne and is holding a <u>sealed</u> scroll in His hand.

Revelation 5:1-10

 So on the cross, Jesus dies and sheds His blood for us and marches into Hell and is there for three days and says to Satan, give me the <u>open</u> deed. I am buying it back – the **land** and the **people**.

The first thing redemption means **dominion**.

9. You and I now have dominion back because <u>Jesus</u> bought it back.

Here is the second thing redemption means:

B. **Marriage**

Ruth 4:1

Close relative – **near kinsman**

Ruth 4:2-3

Ruth 4:4 – buy it back – or <u>redeem</u> it

Ruth 4:5-6

- He said, you have to buy this land for **Naomi**.
- But you won't be able to **inherit** it so you will have to marry Ruth and raise up a **son**.
- The guy said, I don't want to do that he had the right of redemption, but not **inheritance**.

Here is the spiritual meaning:

We were bought back with a <u>price</u>.

1 Corinthians 6:20

1 Corinthians 7:23

- Do not become slaves of <u>men</u>, you are owned by <u>God</u>.
- 10. God not only bought you 2000 years ago, He married you (He <u>proposed</u> to you) because He wants you to have the inheritance. The inheritance is <u>Him</u> and eternal life in **Heaven**.

Boaz and Ruth is a **love** story.

The guy <u>rejected</u> Boaz's suggestions, but Boaz wanted Ruth and set it up so he could <u>redeem</u> her and give the inheritance.

• This is a **prophetic** picture of Jesus.

Boaz had his eye on Ruth.

Jesus had His eye on you.

- He not only <u>paid</u> the price for you, He got down on one knee and <u>proposed</u>.
- 11. The whole reason He paid the price was so He could marry you it means **marriage**.

Here is the third thing redemption means:

C. Redemption means **commitment**.

When He redeems our life from destruction, it not only means that He gives us **dominion**, and we become His **family**, but it means **commitment**.

Question: How committed is Jesus to the marriage?

Destruction that He redeems you from is called **<u>pit</u>**, but the root word is **<u>trap</u>**.

Redeems is not **past** tense – it **continues**.

Any time you fall, He continues to **redeem**.

All of the benefits are <u>present</u> tense:

Who <u>forgives</u> all He <u>heals</u> all He <u>crowns</u>

Next week: He satisfies

One more prophetic picture: In Hosea, most only see the first part, not the second part:

- God told Hosea to marry a <u>prostitute</u> to show what He did for us.
- So Hosea marries a **<u>prostitute</u>** (only the <u>first</u> part)
- They have three children (two sons and a daughter)
- Hosea falls in love with her, she <u>leaves</u>, and goes back into prostitution.

She goes into a different prostitution – she went back into **slavery**. She sold herself and be with a man two to three months and they would sell her to another man (abuse, etc).

They **owned** her.

She falls in a trap or a pit and is on the **auction** block.

The guy asks for money and a voice from the back says, 2000 dollars – it was **Hosea**.

Hosea:

- Walks up to **her**
- Takes the **handcuffs** off her wrists
- Gets down on one knee, and asks her to **marry** him again.

That's what Jesus does: He continues and continues to <u>buy</u> us back every time we sell ourselves to the <u>world</u>.
