*The Sower and the Word*

**Satan's Devices Used To Steal**

Pastor Gary Clouse

*Mark 4:13-20, Jeremiah 29:11*

**1. The enemy's strategy is to convince you there are promises God made written in the Bible and swore in a blood covenant to give you, that some of them, God would decide He didn't want it to come to pass in your life.**

---

---

---

**2. In order for you and I to be effective, we must effectively receive God's Word seed in our hearts and cultivate the Word, and hold onto them till they become fruitful.**

---

---

---

**3. If the Word in your heart becomes fruitful, then your life will become fruitful.**

**4. God's agenda is to get the Word in your heart.**

*Isaiah 55:8, Hosea 4:6, James 1:16-18*

---

---

---

**5. When Satan steals, he comes in very subtle, practical, everyday-life kind of ways.**

*Mark 4:17, Mark 4:18-19*

---

---

---

**6. God has put a special premium on hearing the Word of God.**

*1 Corinthians 1:21, Mark 4:18-19*

---

---

---

**7. The majority of things that steal the Word enter in by hearing.**

*Psalm 1:1, Proverbs 18:21, Psalm 1:2-6, 1 Peter 5:6-7, Matthew 6:25-34*

---

---

---

**8. The problem is we must get more Word in us to choke out the care (worry)**
